About our Programs

SeaWorld Camps connect you with the natural world and inspire a lifelong appreciation for earth's wildlife and wild places.

In addition to bringing campers close to incredible animals, SeaWorld San Diego's unique learning environment fosters exploration, inquiry and self-discovery. We're thrilled to continue our tradition of providing safe, fun and educational experiences for kids of all ages in the not-so-traditional setting of SeaWorld's famous attractions and rides.

The health, safety, and well-being of your camper are our top priorities. SeaWorld Sleepaway and Day Camps are accredited by the American Camp Association (ACA), meeting or exceeding their standards for health, safety and program quality.
